Dated-07.02.2023

1. Director of Ayush, States
2. Registrar, ISM State Medical Councils/ Boards

Ref: Commission letter of even no. dated-03.03.2022 issued by Prof. (Vd.) Rakesh Sharma, President, BoER, NCISM.

Subject:-Registration of ISM (Ayurveda, Unani, Siddha & Sowa-Rigpa) under ABDM, HPR, HFR-reg.

Sir/Madam,

With reference to the subject mentioned above, it is to inform you that the National Health Authority (NHA), Government of India has decided to promote digitization in the healthcare system through the Ayushman Bharat Digital Mission (A.B.D.M.) with the aim of developing a "Digital Health Ecosystem" in the country, its implementation is expected to significantly improve the efficiency, effectiveness, and transparency of health service delivery overall.

For this purpose you are requested to sensitize the practitioners of ASUS fraternity of your state to register themselves in the portal to avail the benefits and for the upliftment of health services. The procedure for registration is as follows:

For registering in Health Professional Registry (HPR),

Step 1: For registering as health care provider registry (HPR) login <https://hpr.abdm.gov.in/> or On Browser Type www.hpr.abdm.gov.in.

Step 2: Select Registration Council, Enter Reg. No. (Only Numbers in it), Select Cat : Doctor, Sub Cat : Ayurved, Tick the Captcha, Click Submit

Step 3: Continue with Generate via Aadhar, You can also Generate Via Driving Licence however then you will have to manually submit your Form

Step 4: Enter Your Aadhar No., Scroll & Click on 'I Agree', Solve the Captcha, Click on Submit

Step 5: Your Aadhar Details Will be Visible, Select Cat : Doctor Sub Cat : Ayurved, Type Username of your Choice, Type Your Personal Email, Type Password of your Choice, Enter State & District of Practice, Click on Submit

Step 6: Hereafter You can Click Here to Complete, Your HPR Number Is Generated.

For registering in Health Facility Registry (HFR),

Step 1: Locating the facility in Health Facility Registry - Open <https://facility.abdm.gov.in/> enter the parameters such as State, District, and Facility Name etc. Click on Search and find your facility if previously registered. If not registered, proceed for fresh registration.

Step 2: Facility Manager Registration -Sign up for a Healthcare Professional ID with role as a Facility Manager by clicking the concerned window.

Step 3: Completing the Registration formalities-The Facility Manager will login to the HFR using the Healthcare Professional ID, and submit basic details such as facility name, address, geo-location, contact details, ownership, facility type, timings, photographs etc.

Step 4: Verifying the submitted details- This involves verification of the submitted application by the District Verifier.

The Ayushman Bharat Digital Mission (ABDM) has been launched by the Government of India for promoting digitization of healthcare and is applicable to every citizen of India. An ABHA is a unique 14-digit number assigned to individuals to store all your digital health records at one place and share these records with hospitals/doctors you visit, with your consent, with suitable applications. ABHA number will establish a strong and trustable identity for you that will be accepted by healthcare providers and payers across the country.

For registering in Ayushman Bharat Health Account (ABHA),

Step 1: On your mobile / PC / Laptop, On Browser Type www.healthid.ndhm.gov.in, Click 'Create ABHA Number'.

Step 2: Select Using Aadhar, Click 'Next'.

Step 3: Your Aadhar Number, Click 'I Agree', Write the Answer, Click 'Next'.

Step 4: Type, OTP received on Mobile, Click 'Next'.

Step 5: Your Aadhar Profile Is seen, Click 'Next'.

Step 6: Enter Your Mobile Number Again, Click 'Next'.

Step 7: Click 'Skip for Now'

Step 8: On the Next Screen Click Your ABHA No. is generated and is shown on screen and sent as SMS.

Further, National Health Authority has recently launched the "Digital Health Incentive Scheme (DHIS)" for digitization of patient health records. This scheme provides financial incentives upto Rs. 4 Crores to hospitals, laboratories, diagnostic centers, and health-tech companies for creation of ABHA-linked health records. DHIS has been rolled out from 1st January 2023. Details of the DHIS are available at <https://abdm.gov.in/DHIS>

For availing these facilities the HPR, HFR and ABHA registration are mandatory. Therefore, it is requested that all the ISM practitioners and the Health care Facilities should be immediately registered in order to implement the ABDM scheme in your state fruitfully.

Subject:-Registration of ISM doctors in Ayushman Bharat Digital Mission healthcare professional registry.

Sir/Madam,

With reference to the subject mentioned above, it is to inform you that the Health Authority of India (Government of India) has decided to promote digitalization in the healthcare system through the Ayushman Bharat Digital Mission (A.B.D.M.) with the aim of developing a "Digital Health Ecosystem" in the country, as its implementation is expected to significantly improve the efficiency, effectiveness, and transparency of health service delivery overall.

Benefits of Healthcare Professional Registry:-

- **Online presence & Discoverability-** by adding your details & after verification by respective medical councils, you get a verified profile on a National Health platform which can be used for a search & connect facility on any digital health app in future.
- **Better clinical decision making** – Patients can share their longitudinal health records with you if, you are registered on HPR.
- **Tele-communication to patients-** You can reach more patients and provide Tele-communication to patients for remote consultations.
- **Quicker services-** Going forward various Govt. Agencies/ Entities shall be integrated with the HPR. You will get the benefit of faster registration, renewal and issuance of No Objection Certificate or NOC by any other governing bodies.
- **Tracking CME Credits in future-** Going forward the medical councils use HPR to keep track of CME credits.

If you are a Healthcare Professional, Healthcare Professional Registry is your chance to become a part of unified Digital Healthcare Ecosystem. You can leverage these system to provide better access and care to your patients. To register in the HPR, you can visit www.hpr.abdm.gov.in.

Benefits

- Your name will be accessible to the patients seeking online treatment and your name will appear on the National Health Authority Portal.
- Your qualification / specialization will be displayed on the portal.
- You will be registered in this prestigious portal which is totally free.
- You can consult with the doctors of any pathy regarding the modalities of treatments.
- After successful registration as Healthcare Professional, You will become part of newly developed Ayushman Bharat Digital Mission in the Country.

- Every name visible to the Public is certified and authorized to Practice Medicine in the Country.
- All government agencies will be linked to Healthcare professional Registry (HPR) through which you will provide online medical services required by the government.
- You will be able to avail NOC required by the government for various schemes and various government schemes for doctors.
- Your Profile will be online accessible on the National Health Authority portal.
- Health care professionals across disciplines will have better access to patient's medical history (along with informed consent) for prescribing appropriate & effective health interventions.
- This is going to be comprehensive repository of registered and verified practitioners delivering modern as well as traditional healthcare services across India. You can consult the other doctors of any pathy regarding your complaints.
- ABDM will help digitize the claims process and enable faster reimbursement.
- The integrated ecosystem will enable better continuum of care & enhance the overall ease of providing services amongst the health care providers.

The Registration process is completely free & easy. When your quest for registration is received, your profile will be verified by the commission and then uploaded on the national platform/ Central Government portal for easy accessibility to the patients seeking online treatment. After registration, the State Medical Council and NCISM will track the CME Credit Points for online registration. Only after this registration, doctors can become a part of the newly developing "Digital Health Ecosystem" in the country.

Process of Registration is as follows:-

Click on the link (<https://ndhm.gov.in>) → Scroll down the page and click on "HPR"
 → Click on "Register on HPR" → Register for new user → Generate your Health Professional I.D. via Aadhaar/ Driving License proceed by filling your details.

Therefore, you are requested to register yourself as soon as possible.
