### NOTICE

Few applicants have complained to the Council regarding minor damage to registration certificate during transit from Kerala State Medical Councils to their address via speed post. Since this has increased the weight of the package by few extra grams, speed post charge for delivering the same has also been increased from Rs. 42/- to Rs. 50/- .

Henceforth all applicants are requested to paste postage stamp worth Rs. 50/- on the self addressed envelope which is submitted to the Council.

Yours faithfully,
